# Report of the Public Library.

---

The Trustees of the Public Library herewith present their annual report for the year ending February 15, 1906. The library was first opened July 11, 1894. The trustees were Laura O. Philbrick, chairman; Mary B. Tuck, secretary; and Nathaniel E. Tuck, treasurer. Annie F. Crowell was librarian, and the library was kept at her residence.

In 1897, the Ladies' Harmony Club furnished the selectmen's room in the Town Hall, which has since then been used for library purposes. We began with 143 books—108 volumes from the state and 35 volumes were presented by the Union Library. The number has been increased to 1,034 bound volumes, besides a number of state and government reports. During this time 360 cards have been issued to different patrons. A warm interest in its welfare has been evinced by the trustees and many of the citizens of the town. The increasing number of children who hold cards is gratifying. The circulation for the past eleven years is as follows:

1895, 540	1897, 921	1899, 2045	1901, 2284	1903, 1680	1905, 1655
1896, 1148	1898, 1698	1900, 1918	1902, 1456	1904, 1455	

Number of books added the past year, 41. Number of cards issued the past year, 25. Number of books loaned, 1655. Classified as follows: fiction, 961; juvenile fiction, 636; miscellaneous, 58.

# Annual School Report.

---

In compliance with the law, the School Board respectfully presents its annual report. We find we have enrolled 66 scholars. The schools will be in session three or more weeks after making this report. The statistical table is complete to February 9. The work performed and the results obtained by our teachers as a whole have been satisfactory. The examination papers are not all finished by the pupils. Many of those we have will give them 85 and 95 per cent. The school registers are well defaced with absent marks, which do not seem to be necessary. We know it is an oft repeated story, nevertheless it requires repetition. Why can we not have less non-attendance marks and give our children a cleaner record in our registers? We thank all of those who have in any way made the school work pleasant for the past year, and hope the parents may more fully realize the importance of united action with the teachers and School Board, visiting the schools oftener, thus causing the children to feel that that we are all interested in their school work. It is very essential for our schools to be graded, to properly qualify the scholars for the examination to enter the Brown Academy. We hope some arrangement will be made by the citizens to that effect.
